They'll sell their flat.

She will leave him.

She'll leave him

Will she leave him?

She will not leave him.

She won't leave him.

They are selling their flat next week.
She is leaving him tomorrow.

Is she leaving him tomorrow?

She isn't leaving him tomorrow!

She is going to leave her boyfriend.

They are going to sell their flat.

Are they going to sell their flat?

(informal: Are they gonna sell their flat?)

They are not going to sell their flat.

She is not going to leave her boyfriend.
