

***IDENTITY B2***

**WORDLIST 5**

# Materials

aluminium

beeswax

card

cloth

glass

metal

paper

plastic

stainless steel

wood

## Adjective suffixes

We can add a suffix to a noun or verb to make it an adjective, e.g. *wash* – *wash**able***, *region* – *regional*.

Sometimes we also have to make a small spelling change, e.g.

- drop the final *e*: *reuse* – *reusable*
- change the *y* to *i*: *beauty* – *beautiful*
- drop the final letter: *respond* – *responsible*

beautiful

recyclable

careful

regional

careless

responsible

disposable

reusable

drinkable

seasonal

environmental

stainless

ethical

sustainable

global

washable

# Weather and climate change

above-average

drought
