

***LOOKING FOR A JOB***

*you are jobless (unemployed)...*

*looking for a job*

**What do you need to do to**

**APPLY for a job?**

**Well, usually...**

- **you read the ads**
- **you send your application letter (enclosing your CV)**
- **They call you for an interview**

If your interview is successful...  
they could **hire** you!

→ Yeah! You could **get the job!**

(But then, if you are always late  
they will probably **fire (sack)** you.  
So... make sure to be **on time!**)
